Meet our Judges

William Warren, S:

USEF “S” and FEI 3* Judge traveled to St. Louis from his summer base in Mansfield, MA. During the winter months, Bill and his partner Bill McMullin are based in Wellington, FL where they operate a busy and successful training business. Bill maintains an active show schedule, winning many regional and national awards and coaching students to their own successes. He also teaches clinics throughout the US, passing on his classic training approach that he learned while studying dressage in Austria with Ernst Bachinger, the current director of the Spanish Riding School.

Lisa El-Ramey, S:

USEF “S” Judge, Lisa, was introduced to horses at a very young age. She started riding Arabians on her family’s breeding farm at the age of 3 and was competing in Saddleseat at the age of 6. She was introduced to dressage at age 13 and pursued the sport to help improve her saddleseat horse’s performance. Lisa has gone on to win many USDF Regional Championship awards as well as USEF and USDF National and Reserve Championships. She also owns and operates her training and lesson business out of Oak Hammock Farm in Loxahatchee, FL.

Please join us for our Competitors Taco Party on Saturday at 4:30pm in the concession area!

A photograph of a rider on a dark horse, wearing a dark jacket, white breeches, and a helmet. The horse is wearing a blue and red ribbon around its neck. The background is a blurred outdoor setting with trees and a fence.

Enter a new dimension of fitness and focus through private riding instruction. The discipline of dressage (dresász- from the French word dresser, to train) allows participants to enjoy exercise, improved balance and flexibility, relaxation, and the powerful connection established between rider and horse.

Have your *fortune* and eat it, too.

At Acropolis, we take a more personal approach to wealth management.

We believe that a fair management fee, low-cost investments and full transparency are top priorities. It seems simple to us, although a lot of the investment management industry still hasn't caught on.
